PEOPLE REPUDIATE REPUBLICANISM

(By Associated Press.)

LINCOLN, NEB., Nov. 9.—Commenting on the results of Tuesday's election, William J. Bryan. tonight issued a statement, in part as follows:

"The election of 1906 indicates a trend in favor of the Democratic party. It proves that the Democratic party is growing stronger as Republican policies are developed.

"In New York the party has won a signal victory in spite of the tremendous efforts put forth in behalf of the administration. The Republicans had all the money they wanted. They had the support of all the great corporations and at the close they had whatever influence the administration could lond.

Republicans Repudiated.

"The defeat of Mr. Hearst, the Democratic and Independence League candidate for governor, while a great disappointment to his friends and to the party, is explained by facts which rob Mr. Hugges victory of both glory and political significance. political significance.

political significance.

"Mr. McCarren, whom Mr. Hearst denounced as a boss, threw his influence to Hughes and cut down Mr. Hearst's vote in Brooklyn." Mayor McClellan, the legality of whose acts Mr. Hearst had denounced, used his influence for Mr. Hughes and cut down the Hearst vote in New York."

Jerome Against Hearst.
"Mr. Jerome, prosecuting attorney
of New York, who had also been attacked by Mr. Hearst, supported the
Republican ticket and his influence

was felt in Greater New York.
"Mr. Croker during the last days of
the campaign made an attack upon
Mr. Hearst which doubtless weakened the Democratic candidate among the Tammanytes. Mr. Murphy, the head of Tammany, wille supporting the ticket, could not put much enthusiasm into the campaign owing to the per-sonal controversies which he had had with Mr. Hearst. It is evident there-fore, that Mr. Hughes owes his victory not to Republican votes, but to Democratic votes brought to him by the very men whom he and the Re-publican leaders have been denounc-

publican leaders have been denouncing for years.

Not Much Cause for Rejoicing.

"President Roccevelt cannot find very much cause for rejoicing in the New York returns. To have his own State go Democratic cannot be gratifying to him and to find that his personal attack upon Mr. Hearst had little in finence in the result compared with the influence exerted by Mr. Mc. with the influence exerted by Mr. Mc-Carren, Mr. Murphy and Mr. Croker

WASHINGTON. D. C. Nov. 9.—
Advices received in Washington by wireless telegraph today show that the President, who is aboard the battleship Louisiana headed for the Isthmus of Panama, is well on his way there. The transfer from the yacht Mayflower, on which the start was made from Washington, to the Louisiana took place last night in Chesapeake bay. The ship passed the canes to sea early this morning and at noon passed Cane Hatteras.
